Campaign for Human Development

This weekend we are participating in the special collection for the Catholic Campaign for Human Development. For over 30 years this nationwide program has helped poor and low income people help themselves. Each year the campaign funds hundreds of projects that help low-income people work together to solve community problems, create jobs, and build affordable housing. This campaign gives us an opportunity to exercise our faith and offer hope to others. If you would like to donate, place your contribution in an envelope marked "Campaign for Human Development" and drop it in the collection this weekend or next. Permanent community members on the envelope program, please use the envelope in your packets. Thank you!
